## COMMUNITY ANIMAL PROTECTORS (CAP) Identity Cards

Feeding stray animals is not illegal, but is in fact a constitutional duty. Stray dogs are protected under the Prevention of Cruelty to Animals Act, 1960, and rules enacted under Section 38 of the Act, particularly, the Animal Birth Control (Dogs) Rules, 2001; Indian Penal Code, sections 428 & 429 and Article 51A (g) of the Constitution.

People for Animals Hyderabad, an NGO devoted to fighting for animal rights as well as animal welfare at Hyderabad, has spent over 15 years fighting for the cause. We are proud to provide excellent and compassionate care to all animals, and to raise awareness to make the city more compassionate towards the voiceless. Our commitment is to materialize our vision: A world where social sanction would deter violations of animal rights, where animals and environment are understood and accepted as being an intrinsic link of the chain of life.

PFA issues **COMMUNITY ANIMAL PROTECTORS (CAP)** Identity Cards to Street Dog Feeders/Colony Caretakers of Animals who take care of animals in their locality. We're working on a mission to build Hyderabad's animal welfare activist base by facilitating the formation of CAPs across the twin cities. CAPs would be the army of animal protectors who can take part in activities including but not limited to Animal Birth Control, rescues, cruelty prevention, adoption assistance and campaigns. Individual CAPs would also work to include more volunteers in the network.

### **Assistance in dealing with stray dog feeding issues**

The ID cards are expected to help the volunteers with harassment faced by many such persons from the general public, when they try to feed canines on the road. This applies to anyone who voluntarily cares for strays - dog feeders and CAPs who tend to animals in their locality. The card would have the person's name and an attestation that he/she is doing a right and lawful deed and the Animal Welfare Organization PFA Hyderabad supports it. This lends credibility to the person. The goal of the card, which does not provide any exclusive rights, is solely the welfare of animals and caretakers.
